EXPERIENCE

1983 - Present Dental Ramlanz - Mexicali, B.C.
Dentist at my own Dental Office

I am always looking for excellence when restoring Esthetics and Function of my patients

1983 - Present Dental Ramlanz - Mexicali, B.C.
Dental Laboratory Technician

It is our dental laboratory philosophy to meet all the Esthetic and Functional requirements of Fixed and Removable Prosthodontics. Specially in Ceramics: Metal-Ceramic Crowns, Ceramco 3, Design and Vita Omega. Only Porcelain Crowns: Empress, Eris, Nobel Rondo, In-Ceram, Procera and E-Max. Circumferential Oxide crowns. Our Lab is able to elaborate prosthesis over implants: Crowns, fixed bridges and all on 4, All on 6.

1983 Assistant Director of the Pediatric Dental Clinic of State Board.

1980 - 1983 Campeche, Cam.
